From: Larry Barnes, YLPA Activities Committee Member

To: All YLPA member families who make the lake such a *Magical Place* every Summer

Welcome back to the lake! I hope to meet each of you at one of the new special events I am helping with this year.

New for 2010, we are organizing two Carpool/Tail-Gate Parties. One event will be at the *Fair Oaks Drive-in Movie Theatre* and the other at the *Bethel Woods Center for the Arts*.

As the schedules and prices for these venues have not been published as I write this letter, details will not be available until later. As a result, we are asking those of you who are interested in attending one or both of these events to let us know, so we can add you to our Quick Contact List. We will call those members on the list with the final details.

~~*The New York Philharmonic at Bethel Woods with Fireworks* is usually a Saturday evening a week on either side of July 4th. If you are interested, be sure to get on the list. Once the date and prices have been announced, we'll let you know so you can plan accordingly. If we have enough interest, we may be able to purchase deeply discounted group rate tickets. For now, assume \$25/ticket for lawn seating.~~

Movie Night at the Fair Oaks Drive-in will be Thursday July 1st. We will be attending a double feature for \$4. The theater has not set its schedule yet, but some of the up-coming movies for early Summer of 2010 are *Iron Man 2*, *Shrek 4*, *Toy Story 3*, *The Last Air Bender*, *The Twilight Saga: Eclipse*, and *Jonah Hex*.

To get on the contact list for either or both of these events, give your name and phone number to Larry Barnes, at larryb153@yahoo.com or (845) 888-4414.

Also new for summer 2010 is a free ballroom dance lesson. Mr. Norton Hyman, a professional dance instructor, will give a lesson at 6 pm on Saturday July 31st at the clubhouse, followed by food and additional music for dancing. Try to wear leather-soled shoes and, if you please, bring a dish to share. BYOB. All ages are invited to participate.

See you at the Lake!

Larry Barnes
